ACADEMICS

Academic year and Students Assessment:-

Adhering to the Diktats and suggestions of the CBSE, we have made a number of structural and Academic changes in the school to cater to the holistic development of the child. The main issues that have been dealt with and are being consistently is lessening the stress Level of the child.

Taking it on a simple level we ought to answer a few questions what are the basic requirements for a growing child. The answer is-

- Learning of Life Skill
- Maintains cordial relationship at home with parents, siblings, family members and neighbours.
- Emotional level consistence
- Avoidance and rejection of Negativity at the **"Impressionistic Age"**
- Value Attachment and Building Moral Values.
- A healthy Mental Thought Pattern.

In order to focus on the holistic development of the students, we are vigorously trying to reduce the **"Tension and Stress"** through a variety of tools viz minimizing the weight of the school Bags, Housing the school bags till standard II, trying to avoid to a large extent the home work given to the student of Std. II, and assessing the **"Parental Shift"** of thought towards the **"Paradigm change"**. As per the directive of CBSE just to eliminate the **"Pass – Fail"** system at the primary level, we are going to change the **"Assessment Process"**. The academic year and curriculum are divided into two terms.

Evaluation of child progress will be done on the basis of two terminal examinations which include weightage on class activities of different subjects, Progress Reports will be given to the parent during PTM at the end of each term. Grading will be done on the basis of five-point scale. The grades will stand for the following distribution of marks:

<u>Grade</u>	<u>Definition</u>	<u>Percentage</u>
A+	Outstanding	90% - 100%
A	Excellent	75% - 80%
B	Very Good	56% - 74%
C	Good	35% - 55%
D	Scope for improvement	Below 35%

ACADEMICS (Std. XI and XII)

For both the stream (Science and Commerce) of Std. XI and XII the session is divided into two semester. Both the semester will comprise of one Assessment at the end of each semester. However, the 2nd semester i.e. Annual exam will include the complete syllabus prescribed for the class XI.

For Std. XII, during 2nd semester students have to face two **Pre - Board** exam which will include the complete syllabus as per CBSE pattern.

Result will be given to parents on the day of PTM

Note: Attendance is mandatory for all the Assessment including practicals held during the year. A minimum attendance of 80% of the total number of working days in each term is compulsory.

Promotion Criteria

Class Nursery to VIII:

Result will be prepared on the basis of Rules framed by CBSE. However low grades in the assessment of a student may result in the detention in the same class can be done after mutual consent of Parents and School Authorities.

Criteria for IX and X – As per CBSE guideline

Criteria for XI and XII :

It is mandatory for the child to appear in all the assessment for promotion and at least 40% marks and 80% attendance is mandatory.

Co-Curricular Activities/Extra Curricular Activities

The children come to school for their total personality development and not just to gather bookish knowledge or be literate. For the holistic development of a child the school provides all types of co-curricular activities to meet the requirements of each aspect of the personality of a child.

Mother's International Academy endeavours to nurture responsible citizens and inculcate essential life skills in students through well-organised inter-house activities and competitions

P.S.

Besides this, CBSE communicates instructions for conducting various activities at different stages of the academic session, which are required to be implemented mandatorily.

Our Mission

Mother's International Academy is a nurturing and environmentally responsible institution, distinguished for its academic distinction and unwavering commitment to holistic education. We are dedicated to shaping confident, compassionate, and competent individuals by fostering the all-round development of every child. Through the seamless integration of the latest CBSE curriculum, research-based teaching methodologies, and innovative learning practices, we create a dynamic educational environment that empowers students to excel academically and thrive in every sphere of life

Our Core Beliefs :

Individual accountability
Optimism over pessimism
Mutual respect towards one and all.
The concept of co-operative learning and the strength of '**Team-work**'.
Nature based learning in an organised and respected environment within which learning is nurtured. Competence is the greatest Credit.

Socially Useful Productive Work - (SUPW)

Socially Useful Productive Work (SUPW) forms an integral component of the school curriculum. It provides students with meaningful opportunities to explore their interests, express their creativity, and develop a positive attitude towards collaborative and experiential learning. The school offers a wide range of SUPW activities, including Music (Vocal and Instrumental), Dance, Yoga, Drama, and Art Education—comprising Visual Arts, Sketching, Painting, Collage Making, Calligraphy, and related creative pursuits.

Participation in SUPW activities is compulsory for all students. The programme is conducted under the supervision of the concerned teachers and guided by qualified experts in the respective fields to ensure quality learning and skill development.

House System

To Promote competitive team spirit in sports, games and other co-curricular activities, the whole school is divided into four houses.

1. Ganga (Red)
2. Jamuna (Green)
3. Jhelum (Yellow)
4. Beas (Blue)

Inter house competition are organised for all the classes from Std. I in different activities like Sports, Debates, Quizzes, Art, Music, Rangoli making, Poster making, Story Writing, Poem/Rhymes Recitation etc. Trophy is awarded accordingly. Every student is given certificate for participation.
