Academics

Academic year and Students Assessment:-

Continuous and Comprehensive Evaluation in Primary Classes (I-V)

Adhering to the Diktats and suggestions of the CBSE, we have made a number of structural and Academic changes in the school to cater to the holistic development of the child. The main issues that have been dealt with and are being consistently is lessening the stress Level of the child.

Taking it on a simple level we ought to answer a few questions what are the basic requirements for a growing child? The answer is-

- Learning of Life Skill
- A good Rapport at home with Parents, sisters and all the family relatives in the and the neighbourhood.
- Emotional level consistence
- Avoidance and rejection of Negativity at the “Impressionistic Age”
- Value Attachment and Building Moral Values.
- A healthy Mental Thought Pattern.

In order to focus on the holistic development of the students, we are vigorously trying to reduce the “Tension and Stress” through a variety of tools viz Minimizing the weight of the school Bags, Housing the school bags till standard II, trying to avoid to a large extent the home work given to the student of Std. II, and assessing the “Parental Shift” of Thought towards the “Paradigm change”. As per the directive of CBSE just to eliminate the “pass – fail system at the primary level we are going to change the Assessment Process. The academic year and curriculum are divided into two terms. Evaluation of child progress will be done on the basis of two terminal examinations which include weightage on class activities of different subjects, Progress Reports will be given to the parent during PTM at the end of each term. Grading will

be done on the basis of five point scale. The grades will stand for the following distribution of marks:

A + Outstanding	90% - 100%
A Excellent	75% - 80%
B Very Good	56% - 74%
C Good	35% - 55%
D Scope for improvement	Below 35%

Academics (Std. XI and XII)

For both the stream (Science and Commerce) of Std. XI and XII the session is divided into two semester. Both the semester will comprise of one Assessment at the end of each semester. However the 2nd semester i.e. Annual exam will include the complete syllabus prescribed for the class XI.

For Std. XII during 2nd semester students have to face two pre-board exam which will include the complete syllabus as per CBSE pattern.

Result will be given to parents on the day of PTM

Note: Attendance is mandatory for all the Assessment including practicals held during the year. A minimum attendance of 80% of the total number of working days in each term is compulsory.

Promotion Criteria

Class Nursery to VIII: Result will be prepared on the basis of Rules framed by CBSE. However low grades in the assessment of a student may result in the detention in the same class can be done after mutual consent of Parents and School Authorities.

Criteria for IX and X – As per CBSE guideline

Criteria for XI and XII – It is mandatory for the child to appear in all the assessment for promotion and atleast 40% marks and 80% attendance is mandatory.

Co-Curricular Activities/Extra Curricular Activities

The children come to school for their total personality development and not just to gather bookish knowledge or be literate. For the holistic development of a child the school provides all types of co-curricular activities to meet the requirements of each aspect of the personality of a child.

Mothers International Academy endeavours to make students better citizen and to inculcate different aspects of life skills through organisation of different activities and competition at inter house level.
